

## CORPORATE SPONSORSHIP OPPORTUNITIES

Weston High School Company offers corporate sponsorship opportunities to those who are looking to offer continued support to our theatre arts program throughout the school year. These funds are allocated directly to the drama club and will help with the purchase of major items for our performing art spaces and our student performers. Some past purchases include: new LED lighting fixtures, new microphones, a serger sewing machine, specialty costume rentals and specialty set rentals. This is the highest level of support given and deeply appreciated.

***WHS Company currently offers three levels of support:***

### THE PRODUCER - \$1500
